The cap, gown and academic hood are rented and must be returned immediately following the Commencement ceremony to the Registrar’s staff in classroom Wyneken 13.

The tassel is yours to keep.

Diplomas

During the Commencement ceremony you will be given an empty diploma holder.

- November and February graduates have received their diplomas already and need to return the diploma holder when they return their cap and gown at the end of the exercises.
- May graduates will be given their diplomas after Spring Quarter grades are received by the Registrar’s Office. Graduates may keep their diploma holders.
- Summer graduates will be given their diplomas upon the successful completion of all remaining coursework and when the Registrar’s Office has received their grades. Graduates may keep their diploma holders.
