Concordia Theological Seminary exists to form servants in Jesus Christ who teach the faithful, reach the lost, and care for all.

Formation has many components.
We learn in the classroom from a gifted and dedicated faculty.
We receive God’s gifts in the chapel as we gather around the font, pulpit and altar.
We are encouraged by a supportive seminary community.
We are prepared to serve God’s people and proclaim Christ to all the nations.

Is it time?
Is it time for you to dedicate your life to service in the Church?
Is it time for you to step forth by faith and join us?
