

Student Care Fund Donors,

First and foremost I would like to thank you so much for your generosity and support. My name is Jordan Schaller and I am entering into my last year of seminary this winter quarter. My wife Amy and I have three children, two girls, Eloise and Adeline (4 & 2), and our newest addition Albert who is just two weeks old. It is amazing how one small addition can make the house seem twice as chaotic yet twice as joyful. In a few weeks things will be even more chaotic when my studies resume but even still I wait with eager anticipation to learn along side my brothers in Christ once again and under such wonderful professors.

We are so thankful to donors like you who make it possible for me to continue my studies here at the seminary, preparing me for the ministry, to teach and preach the pure Gospel to those who I will be called to serve and to the world around me. It is such a blessing to know that God provides for us what we need through the hands of His Church. We will continue to thank God for you every day.

In Christ,
Jordan Schaller
