

Dear Student Care Fund donors,

Greetings in the precious name of our Lord and savior Jesus Christ!

My name is Solomon Chafamo Abiye. I am a colloquy student at the Concordia Theological Seminary Fort Wayne (CTSFW) from Memorial Lutheran Church Houston, Texas. I thank you so much for the gift of the money, which I thankfully received from the Seminary. Words are not enough to express the joy I felt in my heart. What else can I say? Thank you repeatedly for your generosity. Your generous donations helped me to pay my Seminary bills and support my family's needs. Now I am able to concentrate on my studies without worries how to pay my Seminary bills and support my family's financial needs.

It is indeed thrilling to see people like you sharing your love for the Seminary and seminarians through your generous support. Your encouragement and support for seminarians like me are always vital. Because of you and other generous supporters, many of us are able focus on our studies at the Seminary. Thank you once again for your, love, encouragement and generosity.

In Christ,

Solomon Chafamo Abiye
