Dear Student Care Fund Donor,

Words cannot begin to convey the heart-felt gratitude for your gracious gift. Just as we had began to contemplate how to go forward with this added expense your gift (that seemingly was dropped from Heaven itself) was made known; God uses faithful believers such as the both of you to bless those who have been called as ambassadors of Christ to continue the journey in being trained and equipped to go out among the masses in order to proclaim the Gospel of Christ throughout the land. I simply thank God for the both of you that are ambassadors of Christ by supporting His Holy and Righteous Mission through your blessed generosity. I know that the Holy Spirit have put you both in our path in order that His will be done in preparing me for the Holy Ministry. Thank very much for this mighty blessing, and may God continue to keep you both in his everlasting Grace and care.

Blessings in Christ Jesus,

Terrell L Davis Sr, Sem1 CTSFW
