

Student Care Fund donors,

Thank you so much for your donation towards my schooling. My husband and I had some car repairs which were not cheap. We have been working very hard to pay down our debt, but unexpected things happen and put all of us in unfortunate situations. Your contribution and generosity provided are greatly appreciated. Our goal at the end of this year is to pay down as much debt in order for us to purchase our first home. By providing this we can begin our exciting journey and look forward to being in a position to provide for future students one day also. Again, I am very appreciative of the assistance to help me get through school.

Thank you,

Wendy Boehm
